## Welcome to the Hotelstars!

"Hotelstars Union" is a partnership currently between 21 European countries – Armenia, Austria, Azerbaijan, Belgium, Czech Republic, Denmark, Estonia, Georgia, Germany, Greece, Hungary, Latvia, Liechtenstein, Lithuania, Luxembourg, Malta, Netherlands, Poland, Slovenia, Sweden, Switzerland – and other observing countries, providing a harmonised hotel classification with common criteria and procedures.

The catalogue contains all the criteria used to classify a hotel in each of the five categories of the Hotelstars Union classification system, which guarantees quality and service for the guests and transparency and security for the participating hotels. The criteria meet both sustainability issues and technological developments.

The Hotelstars Union was founded in 2009 under the patronage of HOTREC – Hospitality Europe.

14 Also called "Second service". Change of towels, removal of bedspread, emptying of waste paper basket, etc.

15 If the hotel has a limited number of rooms (max.15 %) that are below this size, the guest must be informed about this fact before the accommodation contract is made.

16 No "Junior suites". Suites consist of at least two separate rooms, one of which is furnished as a bedroom and one as a living room. The rooms do not need to be connected by a door; an opening is sufficient. A holiday flat in a dépendance, apartments or studios in independent building/s cannot be considered a suite. Suites must be situated within the hotel building to ensure that guests can fully use the hotel services.

17 If a hotel has only single rooms or only double rooms, the number of points for the bed width will be doubled.

18 At the time of booking, the guest must be informed, if there are two single beds in the room instead of a double bed or if a single bed is booked as a double bed. If the hotel has a limited number of beds (max.15 %) that are below this width, the guest must be informed about this fact before the accommodation is booked and confirmed.

19 A "Molleton"- or similar fabric (with elasticated corners) washed in high temperature once a month in combination with a removable mattress cover washed once a year (if feasible) OR encasings washed once a month are accepted. An encasing is a cotton or synthetic bedcover that is (chemo-thermally) washable, breathable, free from mites and mite excrements and open at the bottom side.

20 This criterion is fulfilled, if there is no residual moisture, mites are exterminated and there is no risk of reoccurrence. Washing the mattress cover, which is usually removable with a zip, is preferable to any form of vacuuming or steaming. The mattress core should be professionally washed every five years.

21 Allergy-friendly should not be confused with allergy-free. Allergic pillows, blankets and bed linen should be supported by a certificate. The inlays and covers of the bed linen should also be free from feathers and/or down.

58 The outdoor swimming pool is heated and has a minimum size of 60m<sup>2</sup>.

59 A swimming pond is a man-made, standing body of water for swimming or bathing free of chemical water preparation.

60 The indoor swimming pool is heated and has a minimum size of 40m<sup>2</sup>.

61 A systematic complaint management system includes a structured complaint process, evaluation, and response.

62 Active and systematic gathering and evaluation of guest opinions about the quality of the hotel services, analysis of weaknesses, and identification of areas that require improvement.

63 A quality report is a minimum requirement for the 3\*Superior, 4\*Superior, 5\* and 5\*Superior categories and is conducted at least once during the classification period using the online guest feedback platform TrustYou. If a business does not meet the requirements for the TrustYou report (see FAQs), a Mystery Guest check is required. The Mystery Guest check can only be carried out by an independent company from the current Mystery Guest pool and must be done at the initiative and expense of the hotelier.

VIII. Minimum Points <sup>68</sup>								
Hotels				95	180	270	410	610
Hotel Garni				75	160	250	390	-
Supplement "Superior" <sup>69</sup>				180	270	410	610	710

<sup>68</sup> For a hotel that only serves breakfast (sometimes referred to as "hotel garni") the number of points to be reached is lowered by 20 points in each category. A "hotel garni" cannot obtain 5 stars and "Superior".  
<sup>69</sup> The accreditation "Superior" indicates excellent hotels having acquired considerable points beyond the threshold points of their category, but which do not comply with the minimum criteria of the next higher category. Such hotels usually offer a higher degree of service. "Superior" is not accessible to "hotel garni".
