PLUGANDPLAY VIENNA

# Expo 6

May 8, 2025

Vienna, Austria

## About Expo 6

Plug and Play Vienna is an international open innovation platform that connects industry-leading corporations like Vienna Airport, Fraport, Aeroporti di Roma, International Airlines Group, and Vienna Insurance Group with innovative startups globally, fostering collaborative projects.

Successful outcomes are presented at the annual Expo, showcasing solutions in aviation, travel, insurance, financial services, manufacturing, logistics, energy, and beyond.

At Vienna Expo 6, we welcome 300 international guests, including multinational corporations, entrepreneurs, investors, and industry experts, to engage in discussions centered around ecosystem-driven innovation, corporate-startup collaborations, and the critical role of venture capital impacting the economic growth and transformation of entire industries.

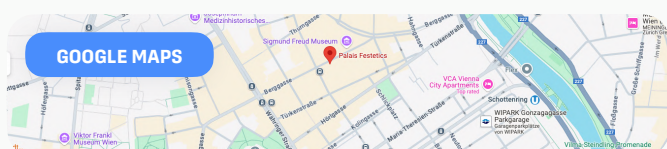

Get ready to be inspired and to shape the future, right here in the heart of Vienna - the central hub for innovation in aviation, smart cities and beyond!
